BEFORE THE THRONE

Introduction G…

Verse 1

```
  G                  D              C
Before the throne of God I bow my knee,
          G                D                C
      before the Mercy seat His grace I plead,
          G        D              C         G
            in the Name of Jesus I receive…
G                  C                D
Lord I want to know You in Your resurrection power,
    G                  C                    D                    G
      Lord I want to feel Your presence, every day and hour!
```

Verse 2

```
  G                  D                C
Before the throne of grace I leave all pride,
    G              D                C         G
      before the throne of life, to self I die…
                C                D
Lord I want to serve You, in Your resurrection power,
    G                  C              D                    G
      Lord I want to do Your will, every day and hour.
```

Verse 3

```
  G                  D              C
Before the King of Kings I cast my crowns,
          G                D              C                G
      before the great High Priest I lay my burdens down…
                C                D
Lord I want to know You, in Your resurrection power,
    G                  C              D                    G
      Lord I want to suffer for You, in Your appointed hour.
```

(Sing high on ending)

```
                C                D
Lord I want to know You, in Your resurrection power,
    G                  C              D                    G
      Lord I want to suffer for You, in Your appointed hour.
